Statement of Work: Acme Co website redesign

Vendor: Sam Rivera (freelance designer and developer)

Client: Acme Co, contact Dana Lee (Marketing Lead)

Signed: 2026-10-20 · **Start:** 2026-10-27 · **Delivery:** 2026-12-05

§1 Purpose

Redesign and rebuild Acme Co's marketing website on the client's existing WordPress hosting.

§2 Deliverables

- §2.1 **Homepage**: hero section, three feature blocks, testimonials and footer.
- §2.2 **About**: company story and a team grid of up to 8 people.
- §2.3 **Services**: one page listing up to 6 services.
- §2.4 **Blog index**: a listing template. Individual posts use the theme's default post template.
- §2.5 **Contact**: a contact form that sends to up to 2 email addresses, plus an embedded map.

§3 Page count

The site has the **5 pages listed in §2**. Additional pages or templates are out of scope.

§4 Revisions

Each deliverable in §2 includes **2 revision rounds**. A round is one consolidated list of feedback sent in a single message. Feedback after the second round is billed as a change order.

§5 Exclusions

The following are not included: copywriting, stock photo purchases, logo or brand identity work, SEO migration or redirects, hosting, e-commerce, and multilingual versions.

§6 Rate card

Work type	Rate
Design	$60 / hour
Development	$75 / hour
Minimum change order	1 hour

§7 Change process

Out-of-scope work requires a written change order. The client accepts the change order in the project chat, and the vendor approves it before work starts. Work is not started on unapproved change orders.
